### Gate Collection: Friday, December 2<sup>nd</sup>

Ted Lawson has been an employee for 37 years and a member of the Steelmaking dept. for 28 years. Ted was in a plane crash that could have taken his life. He is currently in a wheelchair with both legs in casts and he has a cast on his forearm. Ted is hoping to be back to work in January but with the extent of his injuries, recovery could be more lengthy than anticipated. Please help our fellow brother in his time of need.
